

South Jersey Chapter

The South Jersey Chapter of the Society of Financial Service Professionals (FSP) is a non-profit network of multidisciplinary credentialed professionals working together to provide top-level professional services to our members and clients. FSP members are accomplished and credentialed financial advisors, attorneys, CPAs, insurance experts, & other financial professionals. By sponsoring and partnering with the South Jersey Chapter of FSP, your company will gain exposure to successful financial professionals through speaking time, distribution of promotional materials, prominent display of sponsor's logo and information on our website.
